Union Miles Development Corporation’s 15th Annual Fundraiser
Connecting a Rich History to a Bright Future
Within the Union Miles area there are many small businesses, and each quarter we will introduce a different entrepreneur that’s providing services for the community, bringing light to their accomplishments.

This spotlight goes to Joe Giddens, owner of Ready Cut. Even though Mr. Giddens has over 30 years of experience, he wanted to continue to grow his landscaping business by increasing his education.

The summer of 2014 Joe Giddens took the next step towards ensuring that he is providing the best service for his customers.

Mr. Giddens, a long time resident of Ward 2, started attending UMAG (Union Miles Agriculture & Green Landscaping Incubator) training. After successfully completing the training, Joe went on to become a certified Roots of Success instructor.

Ready Cut is a great asset to the Union-Miles Community.

For any question regarding Ready Cut, please contact Joe Giddens at 216-421-4442.

John Adams Mighty Rebels Groundbreaking

Tuesday, May 16, 2017 John Adams High School made history by hosting a Groundbreaking Ceremony for its new football field. Many came out in support including some of John Adams alumni, Cleveland Browns and Ward 2 Councilman Zack Reed. The field is expected to be completed by the end of July so our Mighty Rebels football team can enjoy this school year.

Go Rebels!!!!

UMDC is Here to Help You!
Are you interested in starting a Block Club on your street? Call the UMDC office at 216.341.0757 #229 and get details to get you started. Also, if you have a special craft or skill you enjoy sharing with others, we'd like to help you.

GIVE UMDC A CALL!!
